The Strategic Driver Award recognizes an individual, committee, or workgroup that exhibits exceptional leadership and ownership of the association's strategic drivers (Advocacy, Community Building, Organizational Strength, and Investing for the Future). This award, established in 2015, recognizes the importance of volunteer leaders and the impact that a particular individual or group can have on the furtherance of our mission and vision.

The award shall be presented annually or as earned to an individual, committee, or workgroup that plays a vital role in the advancement of the association through leadership and focus on one of our four strategic drivers.

The award is presented during the RISE annual meeting.

Nominating Procedures

Recipients may be nominated by current association members. Nominators must document the accomplishments and impact of the nominee(s). Nominations should be made in writing in one page or less that include the accomplishments and impact that the nominee had with regard to a specific strategic driver.

Nominations shall include the nominator’s and nominee’s complete contact information. All nominations will remain confidential.

Nomination Deadlines

- All nominations must be received by June 1, 2020.
- E-mail to: lpugh-rawls@pestfacts.org

Selection

RISE Staff verify the nomination eligibility based on nomination criteria and provide nominations to the RISE Strategic Oversight Committee for review and presentation to the RISE Governing Board for selection.
